First Holy Communion Celebrants

We were pleased to see that Ruds had such a good time on their residential trip this week and the weather stayed dry for them. Have a look at the photos to see what great things they got up to! It was wonderful to be able to celebrate Mass with Prep and the boys who have recently made their First Holy Communion this week. Fr Page reminded us about the importance of how we (and our celebrants) can spread the word of the Lord in our everyday lives. EYFS are focusing on different living things and we even had some rather unusual visitors this week! Mrs K Anthony

The boys in Reception were very lucky to have a visit from the 'Get to know Animals' team this week. They learned about reptiles and had the opportunity to handle a snake, tree frog, bearded dragon and gecko! There were also some fluffy animals, which proved very popular, especially the rabbits and chinchillas.

In UK, we measured the T-Rex footprint using our shoes and hatched out our own dinosaurs. We have been taking care of the eggs, observing the changes and writing in our dinosaur diaries!

The best class ever for centrifugal force!! Nathan, the overall champ, with over 20 rotations!

Each year we take part in the Junior Mathematical Challenge, which is a worldwide challenge for schools. It encourages **mathematical reasoning, precision of thought, and fluency** in using basic mathematical techniques to solve interesting problems. The problems are **designed to make students think**.

This year we had a record number of students achieve at a Bronze, Silver or Gold level.

Congratulations to:

**Bronze:** Ruds: Caram, Eashan, Hassan, Maxi, Mofi, Nimesh, Thomas

Figs: Ethan A, Harrison, Jack C, Jayan,

Joshua, Krishan, Laurence, Nelson, Noah

**Silver:** Ruds: Zachary, Figs: David

**Gold:** Ruds: Sebi, Sebastian

**Best in School:** Ruds: Sebastian

# Coming up next week.....

24<sup>th</sup> - 30<sup>th</sup> June

Chester (PP1), Benito (PP2),  
William (PP2), Gurmilan (PP2)  
& Arthur (PP1)

As a school, each half term, we will focus on different Jesuit values and qualities which will help us become aware of how we can make the world we live in a better place. Our focus for this half term is: *“to be intentional in the way they live and use the resources of the earth and prophetic in the example they set to others”*

Pupils who have demonstrated that they are upholding their responsibilities of being a member of Loyola are:

**Ayaan (Prep)** : For always ensuring that he sets a good example to others in the way he behaves and works.

Spotted by: Miss Hollick

**Quentin (Rec)**: For reminding the boys to handle the caterpillars carefully and demonstrating how it should be done.

Spotted by: Ms Joyce

**The Word of the Week was:**

**“communicative”**

**The boys who have demonstrated this in school are: Viaan (Rec), Adam (PP1), Feyi (PP2), Levi (Prep), Khalid (Els), Evan (Figs), Akaash (Ruds) Next week we will be looking for boys who are, “respectful”**

The boys in Reception were very excited by the arrival of some caterpillars on Monday. They will be observing them closely over the coming weeks, as they grow and develop and eventually change into butterflies.

The boys have currently described them as being, “small, hairy, black, spiky and very very hungry!”

Ajay was very lucky this week as he attended a special ceremony where his Dad was presented, “The Police Long Service and Good Conduct Medal” which was instituted under Royal Warrant by King George VI in June 1951. This is awarded as a mark of the Sovereign’s appreciation of long and meritorious service given by members of the Police Forces of the United Kingdom. What an honour! 🙌
