Friday 19th May 2023 Issue: 31

This week has brought the sunshine and Figures have now recovered from their great adventure at PGL Windmill Hill in Hastings. They had a fantastic time trying out new skills such as zip wire, fencing, raft building and much more. Miss Buglass and I were most impressed with their teamwork and how they looked after one another. Well done boys!

This week, Prep led our Ascension service where they spoke and sang beautifully. They brought in many items for the foodbank too. At Mass, we spoke about how we want to keep helping others and with the holidays coming up it is so important to keep bringing things for the foodbank, for those who are really struggling at the moment. We all promised to help so let's see if we can all bring something for the foodbank to Mass next week. Enjoy the sunshine this weekend! Mrs K Anthony

Congratulations to Krishan (Ruds) for training exceptionally hard in karate. He has now achieved his brown belt and has started to work on the top level - black belt. What an achievement!

Figs were investigating chemical reactions and looking at what happened when they mixed acids and bases. They were also testing various substances to see if they were acid or alkaline by using indicator paper.

Rudiments used, "Now, Press, Play" as part of PSHE and mental health week. They worked through a day, as a child who had overheard some bad news and the myriad of feelings this evoked. The boys looked at different techniques used to deal with unwanted feelings.

Kindergarten went on an under the sea adventure where they had to help a pirate find his treasure chest. Along the way, they met different sea creatures such as: jellyfish, an octopus, fish and a seal but they also turned into them!

As a school, each half term, we will focus on different Jesuit values and qualities which will help us become aware of how we can make the world we live in a better place. Our focus for this half term is:

"to be curious about everything and active in their engagement with the world, changing what they can for the better"

Pupils who have demonstrated that they are upholding their responsibilities of being a member of Loyola are:

Joseph (Prep) : For deepening his understanding of things by asking questions. He can also recognise when and how things could be changed for the better, whether it is related to the environment or people / friendships.

Spotted by: Miss McFadden

Well done to our U11 cricket team who played brilliantly!

Interhouse Football Winners – CAMPION are CHAMPION!

House points

The Word of the Week was:

"considerate"

The boys who have demonstrated this in school are: Nevaan (Rec), Thaddeus (PP1), Adam (PP2), Darshan (Prep), Elias (Els), Bill (Figs), Lucian (Ruds)

Next week, we are looking for boys who show that they are "witty"
